TERMS AND CONDITIONS FOR THE REGISTRATION OF ENERGY SERVICE COMPANIES (ESCOs)

Scope of work of an EPC contractor that requires registration includes supply of energy efficient devices and equipments, consultancy services, contract works, energy audit, design engineering, project financing, management of EPC contract, commissioning and services, operation and maintenance of equipment or energy-efficient installation and inspection of energy efficiency improvement projects.

Terms and conditions for the registration of ESCO with Energy Commission are as follow:

- The applicant has registered his business with either the Registrar of Business or the Registrar of Companies as the case may be ;
- The applicant has employed, on a full time basis, a Registered Electrical Energy Manager as prescribed under the Efficient Management of Electrical Energy Regulations 2008;
- The applicant has access to suitable monitoring and testing equipment and instruments required for energy efficiency management works;
- The applicant has satisfactorily furnished all the information as stipulated in the application form.

The Certificate of Registration issued by Energy Commission is only valid for a period of **one (1)** year from the date of issuance.

The renewal of the Certificate of Registration as an ESCO must be made not less than **one (1)** month before the date of expiry of the registration.

Energy Commission may cancel the Certificate of Registration as an ESCO if:

- The holder of the Certificate ceases to carry on the business in respect of which he is registered;
- The holder of the Certificate has been adjudicated a bankrupt;
- The company goes into liquidation.

Where a Certificate of Registration as an ESCO is cancelled by Energy Commission, the Certificate must be returned within **fourteen (14)** days of the notification of the cancellation.

Any enquiries, clarification and more information on registration of ESCO, please refer to the contact information below:-

**DIRECTOR,
Department of Industry Operation,
Energy Commission,
No. 12, Jalan Tun Hussein,
Presint 2, 62100,
PUTRAJAYA.

Notes:

- *The Certificate of Registration as an ESCO cannot be transferred without prior written approval from Energy Commission.*
- *Any change of name, address and other details of the business or company stated in the Certificate of Registration must be informed in writing to Energy Commission within 14 days of such change.*
- *In the event of any change or replacement of an appointed Registered Electrical Energy Manager, the Registered ESCO shall ensure that a new Registered Electrical Energy Manager be appointed to effect such change or replacement and shall notify in writing to Energy Commission within 14 days of such change or replacement.*
- *All electrical works in relation to the Energy Services provided by the Registered ESCO must be performed by Competent Persons in accordance with the Electricity Supply Act 1990 and the Electricity Regulations 1994.*
